

Wilderness Veterans Retreat

Project New Hope Inc. (PNH) in partnership with New England Adventures are 501(c)(3) non-profit organizations that provide a unique opportunity for current and former members of the military to unwind and reconnect with nature and experience the healing power and unrivaled tranquility that comes from a place and time specifically designated to them. Our retreats all have “themes” and this Wilderness Veterans Retreat relate to experiencing connection with fellow Vets who have gone through similar experiences.

This retreat for individual Veterans and/or Couples will include:

- Shelter construction
- Fire making
- Water procurement
- Navigation
- Emergency first aid
- Useful and toxic plant identification

Saturday afternoon will feature a Guided Kayak Tour and Sunday will feature a white water rafting trip with a barbecue afterwards.

A **\$50 fee** will be required at registration, and **will be fully refunded** at the completion of the retreat. Our retreats are 100% drug and alcohol free. All lodging, meals and activities are provided to Veterans **free of charge**. Transportation to or from retreat not included.
