

Fishing and White Water Rafting

DEERFIELD RIVER

Average trout specimens on the Deerfield River range from 12-16 inches in length. Fish from 16-24 inches are common, and occasionally, we see trout in excess of 24 inches, and weighing over 5 lbs.!

This retreat for individual Veterans and/or Couples will include:

- Fly tying workshop with Jim McKenney
- Rod building 101 with Ray Cote
- Lures to catch fish, versus lures to catch you
- Presentation depending on season, water clarity, water temperatures, depth.
- Learn how to cast with accuracy
- White Water Rafting and Barbecue on June 14th
- Fresh, homemade meals
- Fish stories around a campfire with S'mores
