

Our mission statement

Project New Hope is a New England-based, military-affiliated, resource hub that finds and delivers the wellness resources needed by Veterans, servicemembers, their families, and full units that have deployed together. Our network of support allows us the ability to identify and align the appropriate support by wrapping services and resources around the entire family.

Our story

Project New Hope Inc., a 501(c)3 non-profit Veterans organization, was established in January 2011, by CEO & President, Bill Moore, a disabled Air Force Veteran. Project New Hope provides a safe, supportive place for Veterans to seek help and resources that they need to integrate back into their communities.

Project New Hope's vision is to restore hope for all Veterans and their families where hope may have been lost.
