Where Veterans
Rebuild With Honor

Letter from the Executive Director

Dear Friends,

As we reflect on the past year at Project New Hope Inc. (PNH), we are filled with gratitude for the unwavering support of our community, partners, and donors who make our mission possible. What began 14 years ago as a vision to support Veterans beyond their military service has grown into a life-changing network of retreats, programs, and services for Veterans, Service Members, and their Families.

In 2024, we expanded our impact thanks to your trust and generosity. From trauma-informed wellness retreats to emergency financial assistance, SNAP enrollment, and peer support for caregivers and Gold Star Families—our services continue to grow in both reach and depth. We proudly operate Sully's Veterans Food & Baby Pantries, which have become a lifeline for Veterans facing food insecurity.

Thanks to your contributions, 93% of every dollar went directly to program services. This year, our total support reached \$971,793, with \$766,616 invested into life-enhancing programs. These numbers reflect not only responsible stewardship but also a shared commitment to our Veterans' healing, stability, and hope.

Honoring Our 2024 Donors (\$5,000+)

Our supporters and donors are the foundation on which we build and sustain our services. We are sincerely appreciative of everyone who helps us uplift Veterans and their families.

2024 Retreats

96 Veterans & Spouses Attended

Phoenix Tales Storytelling Retreat for Veterans April 12-14, 2024

The weekend was wonderful. All the activities were enlightened and beneficial.

Couples Retreat for Veterans and Active Military Couples May 9-13, 2024

This TCM program was helpful and enlightening. It allowed me to think beyond the norm and work through some issues in a non-standard format.

A Women's Veteran Healing Retreat – The Cortina Method (TCM) June 6-10, 2024

Project New Hope Inc. has given me an unbelievable gift in this retreat. I am living healthier in both body and brain. I know I am going to look back on this week for years to see this experience as a major pivotal experience in my life.

Family Veterans Retreat August 18-23, 2024

I have never been on a retreat but always wanted to go on one. This was an incredible experience! From the natural surroundings and provided food the activities, ranging from vibrational sound bowls, yoga, reiki, to Candy Bingo, Ice Cream Sundae Night, Movie Night and family games to the amazing childcare and fun provided by Debbie, Mady and Brady, this was phenomenal. It was so needed and beyond what we could have imagined. Props to everyone on the team Donna, Patty, and Bill for being so friendly, communicative, and just overall sweet and great! We look forward to hopefully staying connected and seeing you all again on another retreat.

A Men's Veteran Healing Retreat November 7-11, 2024

The compassion, empathy, and acceptance given to myself and other Veterans was amazing from the moment I was greeted by Donna I knew I was in safe space. The serenity and peace that was provided I just needed to surrender and be a willing participant. Together, I was able to find that and as Sandy said, start from today and move forward.

2024 Families Served

Project New Hope is proud to have served Veterans and their families throughout the New England area in 2024 through Sully's Food & Baby with Connect the Dots program which launched in 2021, connects Veterans with critical resources in the community that PNH cannot provide. Our goal is to make sure all Veterans and families are taken care of.
